

STATE HEALTH BENEFIT PLAN (SHBP) 2011 NON-TOBACCO USERS SURCHARGE POLICY ACTIVE EMPLOYEES

This policy applies to non-tobacco users who have been tobacco free for the past 12 months or longer as well as those members who failed to answer the tobacco surcharge questions during open enrollment.

All non-tobacco users have the opportunity to have their tobacco surcharge removed by completing the following wellness requirements through their health plan vendor. Members will need to complete:

- an online Health Assessment **and**
- an online or telephonic wellness program

Removal of the tobacco surcharge is on a prospective basis only and SHBP will NOT make refunds for previous health premiums as Internal Revenue Service (IRS) rules do not allow premium changes to be made retrospectively.

Specific instructions for completing the online Health Assessment and online or telephonic wellness programs are outlined below. Upon completion of these requirements, members should obtain the Non-Tobacco User's Affidavit Form available online at www.dch.georgia.gov/shbp. Once the member has printed, read and signed the affidavit, he/she must submit it along with a Wellness Program Certificate of Completion, to his/her payroll location benefit coordinator for submission to the SHBP.

Members who have been tobacco free as specified above and complete these requirements will have the tobacco surcharge removed from future premium payments for the Plan Year.
